

Instructions: Research information about a planet from our solar system. You must presentation using either Prezi, Power Point or ActivInspire. You will be graded on the following criteria.

## Planetary Project: Planet \_\_\_\_\_

Criteria			Points Possible	Points Earned
<b>Information</b>	Structure	Internal structure & composition	1	
		Surface features	1	
		Atmosphere	1	
		Climate	1	
		Unique features	1	
		Moons	1	
	Location	Distance from Sun	1	
		Order from Sun (1st, 2nd, etc.)	1	
	Size	Total size (volume)	1	
		Size compared to Earth (volume ratio)	1	
		Size rank (2nd largest, etc.)	1	
	Time	Orbital period (year)	1	
		Diurnal period (day)	1	
	History	Discovery	1	
Scientific visits from Earth probes?		1		
<b>Present-ation</b>	All information is clearly visible		4	
	At least ten visuals included		5	
	Each member share equally in the oral presentation		6	
<b>Total Points</b>			30	0
			Percent	0%
